The Borough of Martinsburg is applying for a Keystone Facade Grant to assist local business owners who may have an interest in having façade improvements completed on their building. The Borough is presently undertaking a \$408,481.00 sidewalk replacement project with construction to begin this summer. As part of this effort, the Borough has the ability to apply for Grant Funds of \$50,000.00 to help offset costs of 10 building façade improvements with a dollar for dollar owner contribution match up to \$5,000.00 per building. If you are interested in this grant opportunity I am requesting that you or a representative attend a public meeting that we are required to have to make us grant eligible. The more interest we have the better our chances of receiving the grant. The meeting will be held on **January 23, 2014 @ 6:30 pm** in the Borough Building at 110 South Walnut Street. Thank you,

Randy Stoltz
Borough Manager
